

ICG Alternative Investment Limited and Intermediate Capital Managers Limited FCA ESG Handbook TCFD Entity Report 2024

ICG Alternative Investment Limited (“**ICG AIL**”) and Intermediate Capital Managers Limited (“**ICM**”) are in scope of chapters 2.1 and 2.2 of the FCA’s Environmental, Social and Governance (“**ESG**”) Sourcebook, which requires firms to prepare and publish a “TCFD entity report” containing climate-related disclosures consistent with the Task Force on Climate-Related Financial Disclosures (“**TCFD**”) Recommendations and Recommended Disclosures. ICG AIL and ICM fulfil their obligations under chapters 2.1 and 2.2 of the ESG Sourcebook by reference to the “Climate-related financial disclosures” section in the Strategic Report in the ICG Group Annual Report and Accounts 2024, which can be found here: <https://www.icgam.com/sustainability/sustainability-and-people-reports/> (the “**Group Report**”), reflecting that ICG’s UK operations are closely integrated with the Group’s operations. For climate-related disclosures for the period from 1 January 2023 to 31 March 2023, please refer to the Strategic Report in the ICG Group Annual Report and Accounts 2023, which can be found here: <https://www.icgam.com/sustainability/sustainability-and-people-reports/>. Climate-related disclosures for ICG Enterprise Trust plc and ICG-Longbow Senior Secured UK Property Debt Investments can be found here: <https://www.icgam.com/sustainability/sustainability-and-people-reports/>.

The referenced Group Report climate-related disclosures for ICG AIL and ICM comply with the requirements set out in ESG 2.2 (TCFD entity report) and other relevant sections of the FCA ESG Sourcebook.
